CERTIFIED TRANSLATION

VACCINATION RECORD

Spanish → English

Translator's statement

This document is a complete and accurate English translation of the Spanish vaccination card ("VACUNACIÓN") submitted as a photograph. Dates are preserved in the original **Day/Month/Year (DD/MM/YY)** format. Blank fields on the source document are marked as "Not recorded." The original document image is attached at the end as supporting evidence.

Document type: Vaccination record card | **Source:** Spanish | **Target:** English
